

**NOTICE OF WHITE LAKE WEED CONTROL
SPECIAL ASSESSMENT PUBLIC HEARING**

Township of Henrietta

Jackson County, Michigan

PLEASE TAKE NOTICE that the township supervisor has prepared and filed in the office of the township clerk for public examination a special assessment roll covering all properties within the White Lake Weed Control Special Assessment District No. 1 benefited by the proposed weed control project. The roll has been prepared for the purpose of assessing the costs as shown on the plans and estimate of costs on file with the township clerk. The roll is in the total amount of between \$50,000.00 and \$60,000.00 with a proposed special assessment of approximately \$215.00 per parcel per year for a period of five years. For further information you are invited to examine the roll.

The township board will meet at the Henrietta Township Hall, 11732 Bunkerhill Rd, Pleasant Lake, Michigan on October 11, 2023 at 7:00 o'clock p.m. to review the special assessment roll, to consider any objections thereto, and to confirm the roll as submitted or revised or amended. The roll may be examined at the office of the township clerk at the township hall during regular business hours of regular business days until the time of the hearing and may be examined at the hearing.

An owner or party in interest, or his or her agent, may appear in person at the hearing to protest the special assessment in writing, or may file his or her appearance and protest by letter before the hearing, and in that event, personal appearance shall not be required. The owner or any person having an interest in the real property who protests in writing at or before the hearing may file a written appeal of the special assessment with the State Tax Tribunal within 30 days after the special assessment roll is confirmed.

After the public hearing, the township board may confirm the roll as submitted or as revised or amended; may provide for payment of special assessments with interest; and may provide by resolution for such other matters as are permitted by law with regard to special assessments for the White Lake Weed Control Special Assessment District No. 1.

If the special assessment roll is confirmed, the township board intends to hold a public hearing once each year in future years to reassess property in the special assessment district for the costs in the next year, and will provide notice of such hearing by publication in the newspaper only, unless the amount to be specially assessed increases by more than 10 percent in any one year. If the amount to be specially assessed increases by more than 10 percent in any one year, then mailed notice of the public hearing will be provided to owners of property to be specially assessed.

All interested persons are invited to be present at the hearing to submit comments. Henrietta Township will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed material being considered at the hearing, to individuals with disabilities at the hearing upon four days' notice to the township clerk. Individuals with disabilities requiring auxiliary aids or services should contact the township at the address or telephone number listed below.
